

7004 - Odyssey Charter School, Inc. Uniform Policy

All Odyssey Charter School, Inc. (OCS) students have the right to a safe, healthy school environment. We believe that our students' uniforms promote school safety, improve discipline, enhance the learning environment, and provide a sense of community and equality. At all OCS schools the following school uniform policy is to be enforced by all stakeholders. Students are required to follow this policy, and failure to do so will result in administrative action for all uniform violations.

Benefits of School Uniforms

The Odyssey Charter School, Inc. Board of Directors requires mandatory uniforms for all students. There are many positive reasons for uniforms, including:

- Uniforms create a sense of school pride and belonging
- Uniforms put the focus on academics, not fashion, because students project a neat, serious, businesslike image
- Uniforms encourage students to express their individuality through personality and academic achievements, not outward appearances
- Decreasing violence and theft among students over designer clothing
- Uniforms create a school environment causing fewer discipline problems because students are not distracted
- Uniforms can be less expensive than everyday street clothes
- Uniforms minimize the visible socio-economic differences between children, and helps reduce peer pressure
- Uniforms eliminate pressure to wear brand name clothing
- Uniforms help school officials recognize intruders who come to the school

Exceptions

1. If a student enters the school after the start of the school year, there will be a grace period of ten (10) school days before being required to wear the school uniform.
2. Students may wear special clothing necessary for a school-sponsored activity, as permitted by Administration.
3. The Principal may waive the school uniform policy on a case-by-case basis for either disability or medical condition. Such requests shall be provided in writing and submitted to the Principal.
4. The Principal shall waive the school uniform policy if the wearing of clothing in compliance with the uniform dress code violates a student's sincerely held religious belief. Such students and parents shall submit a signed affidavit setting forth the religious issues and the requested exemption to the policy. A student may wear religious attire.

Financial Considerations

Students will not be denied attendance at school or be otherwise penalized for failing to wear clothing that complies with the school uniform policy if such failure is due to financial hardship. Parents/guardians should notify the Principal if assistance is needed.
